Word Search Puzzles

Volume 7

110 Puzzles Including 10 Bonus Puzzles

For David

My son, you have a wonderful mind.

Always remain curious and never assume you know everything.

How to Get the Most Out of This Book

Every MentCraft collection is built on a simple belief: a mind that's regularly challenged stays sharper, more curious, and more capable. Word search puzzles train the mind in their own distinctive way — scanning a crowded grid, holding a target word in mind, and letting your eye catch the pattern hidden among the noise. It's a different kind of focus than reasoning through a clue: less about deduction, more about sustained visual attention.

Each puzzle's header shows its subtheme, its number, and a difficulty rating, so you can track your progress or choose where to start. All solutions are grouped together near the end of the book, in numerical order, ready whenever you need to check your work.

If you're the kind of solver who likes to dig a little deeper, this book includes a complete Glossary at the very end — every word, defined and alphabetized, so an unfamiliar term never has to stay a mystery. And at the bottom of every puzzle page, you'll find a My Notes space: room to jot down a new word you've learned, a pattern you noticed, or anything worth remembering as you go.

Find each word from the list hidden in the grid — words may run horizontally, vertically, or diagonally, in any direction, forwards or backwards. Enjoy the journey!

Puzzle 1: Acting, Characters & Performance

I	A	P	P	L	A	U	S	E	L	M	T	W	J
A	C	T	O	R	S	D	Y	A	S	O	K	P	Q
J	H	G	W	D	Y	Q	S	I	H	O	L	E	R
Y	S	K	J	L	Z	R	R	S	X	A	A	P	T
I	L	B	S	X	A	E	D	O	Y	M	X	U	X
M	J	G	Y	E	N	A	V	W	C	E	L	O	E
P	S	L	H	N	E	E	R	O	I	M	P	R	T
R	C	E	A	H	R	I	M	I	M	O	R	T	B
O	R	M	N	A	G	E	T	D	O	R	I	R	U
V	I	U	C	H	D	A	D	U	Z	I	Y	I	S
I	P	T	T	I	K	S	W	T	F	Z	F	E	G
S	T	O	C	L	S	Z	Z	C	R	E	A	U	Q
E	E	H	G	U	O	R	H	T	N	U	R	A	Y
I	E	E	C	L	D	R	A	M	A	T	U	R	G

FIND THESE WORDS:

ACTORS
 DRAMATURG
 MANNERISM
 PLAYWRIGHT
 SCRIPT

APPLAUSE
 HEADSHOT
 MEMORIZE
 REHEARSAL
 SUBTEXT

COMEDIC
 IMPROVISE
 OVERACT
 RUNTHROUGH
 TROUPE

Glossary

ACADEMY: An institution for the promotion of arts and sciences; a society or association of learned persons.

ACCELERANDO: A gradual increase in speed in a piece of music.

ACCENT: A distinctive way of speaking or singing that reflects regional origin or social background.

ACCESSORY: An item worn or carried to complement an outfit, such as a scarf or belt.

ACCOMPANIST: A musician who provides instrumental support for a soloist.

ACCORDIONIST: A musician who plays the accordion.

ACOUSTIC: Relating to the properties of sound waves.

ACOUSTICS: The properties of a space that determine how sound is transmitted and perceived within it.

ACROBAT: A performer who executes extraordinary feats of agility and skill.

ACROBATIC: Relating to feats of skill and agility.

ACROBATICS: The art of performing gymnastic feats involving balance, agility, and coordination.

ACROBATS: Performers who execute complex physical feats involving balance and agility.

ACT: A major division within a play, movie, or opera.

ACTING: The art or profession of portraying characters in dramatic performance.

ACTION: The command given by a director to begin filming a scene.

ACTOR: A person who performs in plays, films, or television.

ACTORS: Performers who portray characters in stage, film, or television productions.

ACTORSHIP: The status, profession, or condition of being an actor.

ACTRESS: A female performer in plays, films, or television.

ACTS: Major divisions of a play or theatrical performance.

ADAGIETTO: A slightly faster version of an adagio.

ADAGIO: A musical tempo marking indicating a slow and stately pace.

ADAPTATION: The process of adapting a literary work for film, television, or stage.

ADR: Automated dialogue replacement in film production.

ADVENTURE: An exciting or unusual experience; a hazardous journey.

AERIAL: An antenna used for receiving radio signals.

AERIALIST: An acrobat who performs high in the air.

AESTHETICS: Principles governing artistic appearance and visual style in a production.

AFROBEATS: A modern West African music genre.

AGENT: A person who represents performers or writers, negotiating contracts and seeking work.

AGILITY: Physical nimbleness or dexterity.

AGITPROP: Political propaganda used in art or theater.

AIRWAVE: Electromagnetic waves transmitted through the air.

ALBUM: A collection of audio recordings released as a single item.

ALLEGORY: A story with a hidden moral or symbolic meaning.

ALLEGRETTO: A musical tempo that is moderately fast, slightly slower than allegro.

ALLEGRO: A musical tempo marking indicating a fast and lively pace.

ALLITERATION: The occurrence of the same sound at the beginning of words in close succession.

ALLUSION: An expression that refers to something well known without mentioning it directly.

ALTISSIMO: An extremely high vocal or instrumental register.

ALTO: The lowest female singing voice type.

AMBIENCE: The atmospheric quality of a scene or production.

AMBIENT: Music that emphasizes atmosphere over traditional musical structure.

AMPERAGE: The flow of electric current in a circuit.

AMPHITHEATER: An open-air venue with tiered seating for theatrical performances.

AMPHITHEATRE: An open-air venue with tiered seating, typically used for performances.

AMPLIFY: To increase the volume or intensity of a sound.

AMPLITUDE: The maximum extent of a vibration or oscillation, determining loudness.

AMUSEMENT: Enjoyment or an attraction designed to entertain, especially at fairs and carnivals.

ANDANTE: A tempo marking indicating a moderate walking pace.

ANDANTINO: A musical tempo slightly faster than andante.

ANECDOTE: A short, amusing story about a real incident or person.

ANIMATE: To bring to life, especially in the context of animation.

ANIMATION: The technique of creating the illusion of movement from static images.

ANIMATOR: A person who creates animated sequences.

ANIMATRONICS: The use of robotic devices to create moving figures, often used in films and theme parks.

ANIME: A style of animation originating in Japan, characterized by colorful graphics and fantastic themes.

ANNOUNCER: A person who introduces programs on radio or television.

ANNOUNCING: The act of delivering news or information via broadcast.

ANTAGONIST: The main opponent or rival of the protagonist in a story.

ANTENNA: A rod or wire used to send or receive radio waves.

The MentCraft Project starts from a simple idea: a mind that's exercised regularly stays sharper, more curious, and more capable — but not every mind sharpens the same way. Some people think best in words, others in numbers, others in shapes and spatial patterns, others in sequences of logical steps. That's why MentCraft builds puzzle collections across many different formats, each one training a different kind of mental muscle.

Word search puzzles train the mind in their own distinctive way: rather than reasoning through wordplay, you're scanning a crowded field of letters, holding a target word in mind, and training your eye to catch a pattern hidden among the noise. Every word found sharpens visual attention and sustained focus — the quiet discipline of not looking away until the pattern reveals itself.

Dive into a world where every clue whispers secrets of acting and performance. As you hunt for "screen technology" and "character development," you'll brush shoulders with the craft and artistry that bring stories to life on stage and screen. Each puzzle is a gateway to new discoveries, whether it's unlocking the mystery of "costume design" or unraveling the intricacies of "stagecraft." Enjoy the journey as your knowledge of entertainment careers, musical ensembles, and performance techniques subtly expands, enriching your understanding with each solved word.
